5	2024 Recap (Condition of league)
----------	---

- Successful season
- Able to increase softball participation and interest
- Single and double A baseball was the largest enrollment and Majors did see a decline.
- There were ~
- Facilities update, the county is considering turf on some fields and it was asked by community to expand into little league fields
- Several incident reports were filed during the season, less than previous year
- There were needles in a softball dugout, no other incidents
- **District Updates**
 - Board turnover, new president Michelle Cake from Mile High LL.

Los Alamos County Little League Baseball & Girls Softball

- o Proposed changes to the start of league to be March 7, 2024. There are restrictions in the Northern area of the district due to weather.
- o Regulation boundary changes = any child 5 to 7 years of age can play in any league, will be grandfathered in after age of 7. Board discretion and must be approved by the district for those over 7 years of age. Could advertise in Esp and Pojo, especially for softball.
- o Pending meeting minutes for more details and due dates of required reports, etc.
